

MAS Monograms

My brand on one page

Hand-stitched monograms and embroidery, made locally in St. Matthews, SC.

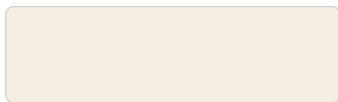

Leave empty space around the logo on every side, at least as big as the height of the M in MAS. Nothing else goes in that space.

The Hoop Seal: never smaller than half an inch wide in print, or 28 pixels on a screen.

The thread wordmark: never smaller than 1.5 inches wide in print, or 120 pixels on a screen.
